

**The Ukrainian Catholic Liturgical Choir is made up of parishioners from the Buffalo Deanery of the Ukrainian Catholic Eparchy (Diocese) of Stamford. We are Byzantine Rite (or Eastern Rite) Catholics in unity with Rome. The Choir is a Liturgical Choir, meaning, we usually sing at the Liturgy (Mass) and other services. In the Eastern Churches there is no instrumental music, but all services are sung. Because we have members from different Ukrainian Catholic Churches, we usually sing services for holidays and on special occasions that are celebrated in the various parishes. We use mainly Ukrainian, but can sing the Liturgy in both Ukrainian and English. It is an honor that our Choir was invited to sing at this service today.**
