## Member of Ukrainian Parliament Oleh Medunyt'sya to visit Buffalo - Jan 28, 2014

Between January 23 and February 10, 2014, Ukrainian communities across America will host Town Hall meetings with Ukrainian Member of Parliament (MP) Oleh

Medunyt'sya. He will speak on the peaceful uprising "EuroMaidan" and take the opportunity to thank the Diaspora for its encouragement and support.

Since November 2013, on Independence Square of the nation's capital, Kyiv, Ukrainian activists have been conducting a protest "in defense of citizens' rights and freedoms, for a European future and dignity for their children and for all of Ukraine."

Member of Parliament (MP) Oleh Medunyt'sya is a prominent public figure, Chairman of the civic association "Ukrainska Sprava", and Deputy Commander of the EuroMaidan protest.

Mr. Medunyt'sya also will visit Washington, D.C. at the invitation of the US government. In Washington, he will be an authoritative advocate on behalf of the EuroMaidan protest, including drawing attention to

harassment and intimidation of protesters, especially the escalating violent acts and brutality against EuroMaidan activists. He also will focus on "efforts to deploy a broad mobilization to organize resistance to the current regime in all provinces of Ukraine and to coordinate the protest movement throughout the territory of Ukraine."

Born and lives in Sumy, 1971. In 2012, Mr. Medunyt'sya was elected Member of Parliament. He was nominated by the United Opposition "Fatherland" Party, with the support of UDAR (Vitali Klitschko's party) and the "Svoboda" Party. He was elected from the single-mandate majoritarian election District No. 157 Sumy Oblast (northeastern corner of Ukraine, bordering Russia). He is a member of the "For Ukraine" Party; belongs to the parliamentary faction "Fatherland" and is a member of the Budget Committee.

**Mr. Medunyt'sya will speak at the Ukrainian Cultural Center "Dnipro", located at 562 Genesee Street, Buffalo, NY 14204 on Tuesday January 28, 2014 at 7pm.**

January 26, 2014 A.D.

Christ is Born! Glorify Him!

Dear \_\_\_\_\_,  
(Your name right here, for your very own personal letter)

As you may, or may not have noticed, I haven't been around at all this week. Presbytera and I have been on a short vacation searching for some "R & R" down south. Last week as I was writing your letter, which as you may recall, was about the flooding disaster in West Seneca, I didn't think it would be appropriate to talk about vacation after writing about the troubles of so many because of that natural disaster.

As you read your letter this week, God willing, and with heartfelt prayer, I hope we are safely back home in West Seneca. We haven't been on vacation for a very long time and we thought, "It's about time! Gotta do it while you can!" So on Friday, January 17 we left for Florida, and the next day caught a boat heading for the Eastern Caribbean. Following that short jaunt, God willing, we have returned home late yesterday, Jan. 25. It's kind of weird writing to you about a vacation that hasn't happened yet, and one that you will be reading about after it's over. I just wanted to be sure you would get a letter and not be disappointed when you went to the mailbox. I probably will write more next week and tell you of our adventures, whatever they have been.

One thing I am certain of, even before we leave, is that I'm going to miss "our babies" here, and our big kids in Pennsylvania, along with their Moms and Dads. I am sure, also, that I will miss all of "my people" in Niagara Falls and at St. Nicholas. You are always in my heart, no matter where I am. But...we gotta do, what we gotta do! "It's about time! Gotta do it while you can!"

Another thing I want you to know is that the trip to, hopefully sunny and warm weather, is not all fun and games. You see there is a very serious side of it and if you promise not to tell anyone, I'll let you in on it. Our trip is actually a secret mission to check out some of those islands down there and try to find a long lost community of Byzantines, who may be in need of a church and a priest. I've already packed my lightweight, summer vestments! ☺☺

Now for some really serious stuff...On January 22 once again throughout the USA and especially in Washington, D.C. the March for Life was held. Once again we are most seriously reminded, not so much by marchers and gatherings, but by our conscience, that "They are still killing babies!" The evil "Culture of Death" still holds sway over many institutions and people.

The media continue to report only that which conforms to their idea of the way they want things to be. For example, recently they made a giant splash when Pope Francis seemed to be condemning capitalism in one of his talks. It was major news and front page headlines. However, yesterday, January 14, His Holiness gave his "State of the World" speech and spoke forthrightly and powerfully about the evil of abortion, calling it "a horrible practice." Nary a peep was heard from the liberal media. It was not even reported! Heard only on Fox News, Glenn Beck, etc. The so called 'mainstream' media only report what they want

you to hear! And what they want you to hear is their agenda. Pravda, Isvestia, anyone?!!!

Abortion is a scourge on our society, our country and our very lives! It is an agenda for many. It is a great money-making proposition for many, many others. It is built on lies and sin. Those are not my words only, read this: “We fed the public a line of deceit, dishonesty, a fabrication of statistics and figures. We succeeded because the time was right and the news media cooperated. We sensationalized the effects of legal abortion, and fabricated polls which indicated eighty-five per cent of the public favored unrestricted abortion, when we knew it was only five per cent. (emphasis Fr. Ray) We unashamedly lied, and yet our statements were quoted (by the media) as though they were written in Law.” Dr. Bernard Nathanson –Cofounder of NARAL (National Abortion and Reproductive Rights Action League) So you see, it is they themselves who admit to lying and deceit. Yes, the devil laughs and lies!

Once again, as priest, I call on all who read this or have it read to them to pray for an end to abortion. I pray we will all become more active in prayer and action to stamp out this horror from our land, once and for all. I hope we all took time to pray on January 22 for the prayer warriors who were in Washington, and in the other cities; for those who stood in front of abortion facilities all around the country. I hope and pray that we all can be renewed, encouraged and will move forward with courage and resolve to do our part to stop this unbelievable murder that is allowed, in the name of the Law, to continue day to day in this once beautiful land of America.

## Do you remember?

- 18 Days - A baby's heart begins to beat
- 43 Days - Brain coordinates movements
- 8 Weeks - All organs are functioning
- 9 Weeks - Has permanent, individual fingerprints
- 10 Weeks - Sense of touch (comfort/pain)
- 12 Weeks - A baby can smile, suck his/her thumb, and make a fist.

Any textbook will confirm what every doctor knows:

## LIFE BEGINS AT CONCEPTION

And what's that we always say?

## Without Life, nothing else matters!

Some very serious business and things to think about. Yes, very serious... What will we say when we enter the next life and are asked, “What did you do to stop the killing of the babies?”

May God have mercy on us, forgive our shortcomings, lack of courage and dedication. Be blessed, my Dear One. The battle rages, but God is with us! It's not easy and there will be a lot of blood, sweat and tears along the way, but He has already assured us of victory! Glory to Christ our King and our God! May our Holy Lady pray for us and for this world and through her prayers restrain the just judgment due to us! Remembering the Holy Innocents of Bethlehem I leave you for now

With Much Christmas Love,

Fr. Ray

## НА МАЙДАНІ

Тут страшно. Страшно стояти на лінії оборони, страшно коли поруч вибухають гранати, страшно коли Беркут розгромлює польовий госпіталь і відстрілює медиків, які недоторкані навіть на війні, страшно чути про кулі в голову і шию з бойового пістолета Макарова, страшно чути про кулю на виліт через груди зі снайперської гвинтівки, страшно чути про 10 хлопців в яких вогнепальні рани на виліт. Таких самих хлопців, як і ти. Але страх пропадає коли ти біжиш на барикади і жінки моляться благословляють, дякують і хрестять тебе. Страх пропадає коли ти розумієш в якій країні прийдеться жити твоїй маленькій доці. За це вартує тут бути і боротися. Тут має бути кожен. Бо якщо зараз це втратимо і не відстоїмо, то наші діти нам цього не пробачать. (Назар Зелінка)

## PRAYRS – МОЛИТВИ

“We also pray to the Almighty Lord for the people of Ukraine who are struggling these days to defend their God given rights and freedom of speech, choice and religion. Grant them all and especially leaders of the Ukrainian nation wisdom, good judgment and discernment to find mutual understanding and respect that would lead to a peaceful resolution of the ongoing conflict, we pray to You, O Lord, and have mercy.”

“O merciful Lord and Lover of Mankind, look down mercifully upon those who laid down in sacrifice their lives for the improved future of Ukraine in the ongoing conflict and for hundreds of people that are wounded and hurt. Bestow your healing power upon all who need it that their sufferings be lessen and receive full recovery, we pray to You, O Lord, and have mercy.”

Ще молимося Всемогучому Господеві нашому за український народ наш, що цими днями бореться захистити свої Богом дані права та свободу слова, вибору та віроісповідання. Подай йому, а особливо лідерам української нації, мудрості, розсудливості та добру раду і волю знайти взаємне порозуміння та повагу, які дозволять дійти до мирної розв'язки в цьому протистоянню, ми молимося Тобі, осподи, і помилуй.

Милосердний Господи і Чоловіколюбче, споглянь милостиво на тих, які поклали і пожертвували своє життя задля кращого майбутнього України і на сотні пораниених і мучених людей. Подай свою ласку зцілення всім, хто її потребує, щоби їхні муки зменшилися і вони повністю видужали, ми молимося Тобі, Господи, і помилуй нас.
